The Celebrating Women's Athletics Luncheon is an annual event held to raise funds for scholarships awarded to female student-athletes at Binghamton University. Since 2006, the CWAL has raised more than \$500,000 to support the BBAW Women's Scholarship Fund. The scholarships have been awarded to over 90 female student-athletes since 2007. Today, the CWAL is one of Binghamton University's Division of Athletics primary fundraisers.

Join us for Emily Mackay's captivating story of her Olympic journey and the path she took to get there. She will share her expertise and experiences, as well as the role athletics has played in empowering her, both on and off the track.
