A Fundraising Effort for the Marathon
Community Scholarship Foundation

SPONSORED BY

THE MARATHON COMMUNITY SCHOLARSHIP FOUNDATION WOULD LIKE TO THANK ALL THE SPONSORS AND AGENCIES FOR SUPPORTING THE SCHOLARSHIP FOUNDATION. PLEASE SUPPORT THEM FOR THEIR GENEROSITY TO OUR COMMUNITY.

Background Information

Marathon's 5K Run for the Scholars is a culminating class project that was designed by the Marathon Central School Sports Marketing Class. The major focus of the project was to design and market a sporting event for a non-profit organization with the intent that the organization would continue to offer the event on an annual basis. The Marathon Community Scholarship Foundation has agreed to be the beneficiary of this class project.

The mission of the Marathon Community Scholarship Foundation is to raise funds to sustain current scholarship offerings and offer new scholarships to the graduating seniors of the Marathon Central School District.

The Scholarship Committee and the Sports Marketing Class will work hard to make this a quality event that will be sure to be added to your annual race calendar. We look forward to your continued support and hope that you will have an enjoyable time visiting the quaint little Village of Marathon.

Senior Scholarship Opportunities

As an added benefit the Marathon Community Scholarship Foundation will also award a scholarship via an application, to a graduating senior who plans to pursue post secondary education and participates in this event. The scholarship has no restrictions on what school the senior attends and will be based upon scholarship, extracurricular participation, and commitment to one's community.
